

IN-PERSON WORSHIP SERVICE

The Session of New St. James has approved a Policy and Protocol to manage future in-person Worship Services. The first in-person Worship Service will be held on Sunday, October 10, 2021, at 10:30 a.m. and will permit only a limited number of attendees who **MUST pre-register** (until registration spots are filled). In order to attend, **you must be fully vaccinated** (14 days since your second shot) and prepared to follow all of the necessary health requirements (including wearing a disposable 3-layer/surgical mask – if you do not have one it will be provided, distancing and no singing or spoken responses). It is requested that you arrive between 10:10 and 10:20 a.m. so that you can be checked in upon arrival and shown to designated seating in the pews. Further information regarding registration follows below.

A limited number of spaces are available to be booked online at the following Pre-Registration site and some spaces are available for those without access to a computer and unable to book by calling Judi LeBlanc at the Church Office:

We regret that there is only a limited number of spaces available for in-person services. If you are unable to be pre-register on a particular Sunday, please try again for a future Sunday, and we thank you for your interest and look forward to you joining the worship services livestreamed (see note below).

The Sunday morning Worship Services will also be offered via livestreaming on YouTube. To participate remotely in livestreamed worship on Sunday, please click on the following link:
