You are invited to attend

When we put our gifts in God's hand, God does remarkable things.

Guest Presenter: Karen Plater, Associate Secretary, Stewardship & Planned Giving, Presbyterian Church in Canada

Date: Sunday, March 23 following the worship service

*Discover how you can support NSJ ministry into the future. Come learn how planned legacy gifts can help move forward God's mission. Karen Plater will share tips for how donors can give more than they thought possible by using the tax benefits the government gives to encourage planned gifts to charities – including **cash, publicly traded securities, charitable gift annuities or gifts of life insurance, real estate and charitable bequests**. She will explore how it is possible for your estate to make a significant gift to the church, while still supporting your other heirs.*

Karen will share stories and tips from her 18+ years of helping donors give generously and congregations to wisely use those gifts. Bring your questions! Karen will talk about how planned gifts give more for less than you think. We will only keep you for an hour! The presentation will be 30-40 minutes over lunch, leaving time for questions.
